

TELOS PAINTS

TO DEFINE IS TO LIMIT

Introduction:

Welcome to Telos Paints, where we craft more than just paint – we sculpt environments. Initially renowned for our high-end architectural paint and exceptional painting services, we've broadened our horizons to encompass a realm beyond color. Our journey now extends to construction artistry, breathing life into ceilings, walls, and floors, forging spaces that resonate with magnificence.

Our Vision:

Founded in 2021 by Xavier Mutakaya, Kudzi Mutakaya & Nkanyiso Zondi, Telos Paints has gone to reach the greatest heights in industry success. At Telos Paints we envision spaces as canvases, awaiting the touch of transformation. We aspire to be the quintessence of architectural finesse, elevating surroundings with beauty and substance.

Key Strengths:

- 1. **Craftsmanship Redefined:** Our architectural paint isn't just color – it’s excellence materialized. It endows surfaces with endurance, vibrancy, and character. Melding finest ingredients and cutting-edge processes, we set a standard for quality.
- 2. **Unveiling Possibilities:** Innovation fuels us. We explore new frontiers to deliver paints that align with evolving desires. Adapting to changing needs, we offer solutions that are as fresh as they are functional.
- 3. **Diverse Creations:** Our palette spans interior and exterior, conventional and custom. We're not limited to walls – we transform ceilings and floors, breathing life into every facet of your space.
- 4. **Artistry in Every Stroke:** Our painters are craftsmen, turning surfaces into stories. From preparing the canvas to the final flourish, their touch embodies precision and artistry.
- 5. **Green Philosophy:** We're not just about beauty; we're about responsibility. Our eco-friendly paints bear witness to our commitment to sustainability, without compromising quality.

Product Highlights:

- 1. **Signature Craftsmanship:** Immerse in our Signature Collection, where paint becomes poetry. Discover metallics, textures, and more – elevating walls, ceilings, and floors to realms of elegance.
- 2. **Colors That Speak:** Our palette isn't just a collection of shades; it's an expression of possibilities. Our experts curate shades that harmonize with your vision, creating spaces that resonate. (see next pages)
- 3. **Enduring Beauty:** Our architectural wonders aren't just paint; they're guardians of longevity. Withstand weather, time, and wear, while retaining the allure that sets Telos Paints apart.
- 4. **Your Vision, Our Palette:** Customization is key. We tailor colors and coatings, translating your imagination onto surfaces. Each stroke is a collaboration, each space a masterpiece.
- 5. **Nature's Hues:** We're mindful painters. Our eco-friendly options ensure a vibrant space that's also gentle on the environment, meeting modern sensibilities.

Projects and Triumphs:

Telos Paints has lent its touch to esteemed projects – hospitals, homes, offices, hotels, and public spaces. Our gallery tells stories of metamorphosis – where drab gives way to dazzling, ordinary turns extraordinary.

Client Happiness:

At Telos Paints, you're not just a client; you're a collaborator. We ensure smiles through remarkable products, tailored services, and unwavering support. Our team is here to assist, ensuring your painting journey is as smooth as it is splendid.

Doing it right since 2021

The palettes you select for your spaces convey a profound narrative about both your identity and the essence of your establishment. Whether invoking an air of sophistication through deep and enigmatic tones, radiating vibrancy and sociability with vivid and dynamic hues, exuding understated elegance with soft and nuanced shades, or seamlessly blending a fusion of these elements.

Within our Telos Architectural Finishes collection, a spectrum awaits for every grand endeavor – from expansive corporate edifices and visionary architectural ventures to the intricate realm of healthcare institutions and monumental arenas. Discover a diverse array of resplendent and commanding tones, alongside sophisticated and delicate nuances.

You'll find plenty of inspiration, advice and handy hints throughout this profile.

Choosing your colour

Colour can say a lot about a person, home or organisation. With the Telos Paints range you can express your personality or identity through your colour choices. You can set a consistent mood throughout your home, office, building or have each room take on its own individual style. Whatever you choose, our colour wheel will help you pinpoint your perfect combinations.

What paint do I need?

When you have decided on your colour palette, the next step is to select the right kind of paint for your project. Our guide below will help you select the right one for you.

Walls & Ceilings

Ideal for any general living areas and interiors such as offices, bedrooms or lounges. Available in two finishes: contemporary vinyl matt or a high sheen vinyl silk.

Kitchen

Greaseproof, stain-resistant and washable. Ideal for areas that must be cleaned frequently such as medical rooms etc.

Tough & Washable

Hard wearing and fully washable with a matt finish. Ideal for use in high traffic areas such as hallways, as it is twenty times tougher than standard emulsion.

Bathroom

Moisture-, steam- and mould-resistant with a soft sheen finish. Ideal for areas that are exposed to condensation and splashing water.

Rich Elegance

Luxurious dark colours have soared in popularity, adding a bold statement to any room. From cooperate buildings, corridors to sitting rooms to utility rooms, these deep blues, reds and greens make a strong impact, working equally well in modern and traditional settings. To lighten the palette, add white, clear glass and mirrors.

Things to remember...

When painting new wood or metal, ensure a primer and undercoat are used; this will help ensure your finishing top coat looks better and lasts longer.

When painting over existing paint, ensure the surface is clean, and suitably smoothed for the best results. Undercoat is also advised.

When painting over contrasting colours, additional coats may be required.

In the printing of this brochure every effort has been made to ensure perfect reproduction of the colour swatches, but due to printing limitations, the colours shown on this card may not be an exact match to the paints. Colour shades are prone to variance depending on the substrate and texture of the surface being painted or the lighting within a room - that's why we recommend testing your selected colour on a small area of the actual surface before you make your final decision. Tester pots are available for all Telos Paints emulsion colours. Note: Tester pots are indicative of the colour only and may not represent the sheen/finish of the final product.
